Association for Literary and Linguistic Computing

Trustees' Annual Report for the year ended 31 December 2010

The Trustees present their report and the financial statements of the charity for the year ended 31 December 2010.

Trustees

The Trustees serving during the year and since the year end are detailed on page 1.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Association for Literary & Linguistic Computing ("the Association") is governed by its Constitution. The Association is a recognised English charity (No. 279971).

Appointment of Trustees

Committee vacancies for each year are filled by election and the result declared at the Annual General Meeting. Proposals must be endorsed by two further individual Members of the charity and carry a statement of the nominee's willingness to serve.

OBJECTIVES AND ACTIVITIES

The principal objective of the Association is to promote high standards of education in the development of computer science and computer services with particular reference to literary and linguistic computing. We aim to stimulate knowledge of and interest in computer aided research in the arts and humanities (literature and language studies, history, philosophy and other humanities disciplines) and especially research involving the manipulation and analysis of textual materials.

To these ends, we support three Journals, promote an annual conference, run workshops, give young scholar bursaries and senior scholar awards, support research projects by providing funding and expertise, and promote affiliation with other organisations with similar aims.

Individuals become members of the Association by subscription to the Journal, "Literary and Linguistic Computing" which is published by Oxford University Press ("OUP").

ACHIEVEMENTS AND PERFORMANCE

The performance of the Association's print Journal "Literary and Linguistic Computing" (LLC), published by Oxford University Press (OUP), continues to flourish, for which thanks are due to its outgoing Editor (Prof Marilyn Deegan) and Associate Editors (Edward Vanhoutte, Simon Horobin, Stéfan Sinclair). Membership of all three constituent organisations of the Alliance of Digital Humanities Organisations (ADHO) is by subscription to LLC.

Thanks to the quality of the Journal and the combined efforts of the Membership Services Co-ordinator and OUP, the subscription levels continue to rise, and there continues to be growth in the revenue generated by the Journal.

Association for Literary and Linguistic Computing

Trustees' Annual Report for the year ended 31 December 2010

ACHIEVEMENTS AND PERFORMANCE (Continued)

ADHO provides a broad framework for a number of publication venues relevant to the digital humanities. As well as LLC, there are two peer-reviewed online journals: 'Digital Humanities Quarterly' and 'Digital Studies/le Champ numérique'. Also within the ADHO framework is the online seminar "Humanist", and two monograph print series: "Topics in Digital Humanities", published by Illinois University Press, and "Digital Research in the Humanities", published by Ashgate.

The Young Scholar Bursaries are now funded by ADHO as part of the joint investment made by the ALLC, ACH and SDH-SEMI, and eight awards were announced at the June 2010 conference at King's College, London, UK.

The Trustees continue to encourage activities aimed at fostering developments in the digital humanities across Europe, by means of support for workshops and training events and funding for research and/or development projects, in addition to the support it provides for a range of activities at the ADHO level.

These include the annual international conference, held in July 2010 at King's College, London, with over 400 delegates, ten Young Scholar bursaries, the range of scholarly publication venues detailed above and three individual awards for excellence. The Roberto Busa Prize for lifetime achievement in the digital humanities, awarded every three years, was awarded to Professor Joseph Raben at the 2010 conference in London. The Antonio Zampolli Prize for outstanding achievement, awarded every three years, will be presented for the first time at the 2011 conference at Stanford University, USA. The Paul Fortier Prize for best young scholar paper at the conference, awarded every year, was awarded for the first time to Dr Maciej Eder at the 2010 conference in London.

ADHO also provides an international framework for activities to promote multi-lingualism and multi-culturalism in the digital humanities, something which is particularly important to the Association with its specific remit to promote digital humanities scholarship across Europe.

In 2009 the Trustees initiated a review of needs and priorities, with the intention that reserves above the level required by Association policy should be used to invest in a range of activities to promote the digital humanities as widely as possible across Europe, with the aim of enhancing the scholarly benefits to current members as well as making the activities of the Association more relevant and more attractive to prospective new members. One particular focus is on the ongoing improvements being made to the Association's dissemination strategy, including changes to the public website and related infrastructure. Another focus is to promote the digital humanities across Europe, particularly in those areas where the Association does not yet have a strong presence.

FINANCIAL REVIEW

The Association receives 70% of the profit arising from the LLC Journal. The Journal continues to flourish and the new contract with OUP is providing increased income. Profit share payments to the Association from OUP are staged and the final payment is not made until five months or so after the end of the year to which it relates. Journal income of £59,150 per Note 2 (page 9) comprises two advance payments of the profit share arising on the Journal's 2010 profit which were received during 2010 and the balance of the profit share which is due to be received by the Association during 2011.

Association for Literary and Linguistic Computing

Trustees' Annual Report for the year ended 31 December 2010

FINANCIAL REVIEW (Cont.)

The Association has worked with the Association for Computer in the Humanities (ACH) since 1988, when a protocol was agreed for the co-sponsorship of joint international conferences. In 2005, the two Associations became more closely linked under an umbrella organisation, the Alliance of Digital Humanities Organisations (ADHO), founded by the two Associations to further international collaboration in promoting literary and linguistic computing. The Canadian Society SDH-SEMI has joined ADHO. Members of the Associations become members by subscribing to the Journal. The profit from the Journal is shared pro-rata among the Associations.

Per the Statement of Financial Activities on page 7, the Association reported net outgoing resources (i.e. deficit) of £37,788 for the year and total reserves of £38,107 at 31 March 2010.

Accruals of £12,160 per Note 6, Creditors on page 10 include the provisional share of profit (arising from the Journal's 2010 profit) payable by the Association to ACH and SDH-SEMI amounting to £6,000 and £3,250 respectively.

Reserves policy

It is the Trustees' policy to maintain unrestricted funds at a level that equates to approximately six months of unrestricted expenditure. At 31 December 2010, the Association's free reserves per Unrestricted Funds on page 7 amounted to £38,107 which was acceptable to the Trustees.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England, the Charities Act 1993 and the provisions of the charity's Constitution requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

Association for Literary and Linguistic Computing

Trustees' Annual Report for the year ended 31 December 2010

STATEMENT OF TRUSTEES' RESPONSIBILITIES (Cont.)

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993 and the provisions of the charity's Constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner

The Trustees recommend that Alan Cunningham, C.A., a Partner in Alexander Sloan, Chartered Accountants, remains in office as Independent Examiner until further notice.

This report was approved by the Trustees on 18 June 2011 and signed on their behalf by

Dr Lisa Lena Opas-Hänninen
Trustee / Chair

Association for Literary and Linguistic Computing

Independent Examiner's Report to the Trustees on the unaudited financial statements of Association for Literary and Linguistic Computing.

I report on the financial statements of Association for Literary and Linguistic Computing for the year ended 31 December 2010 which comprise the Statement of Financial Activities, the Balance Sheet and the related Notes. These financial statements have been prepared in accordance with the accounting policies set out therein therein and the requirements of the Financial Reporting Standard for Smaller Entities (effective April 2008).

Respective Responsibilities of Trustees and Independent Examiner

As the charity's Trustees, you are responsible for the preparation of the financial statements. You consider that the audit requirement of Section 43(2) of the Charities Act 1993 ("the 1993 Act") does not apply and that an Independent Examination is required. It is my responsibility to:

- examine the financial statements under Section 43 of the 1993 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under Section 43(7)(b) of the 1993 Act; and
- state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention

(1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with Section 41 of the 1993 Act; and to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Association for Literary and Linguistic Computing

Notes to the Financial Statements for the year ended 31 December 2010

1. Accounting policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Statement of Recommended Practice - Accounting and Reporting by Charities (SORP 2005) issued in March 2005, the Charities Act 1993 and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The principal accounting policies adopted in the preparation of the financial statements are set out below.

1.2. Incoming resources

Income from investments is included in the year in which it is receivable.

1.3. Resources expended

Expenditure is recognised on an accruals basis when a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

2. Incoming resources from charitable activities
